## This Day

"Just in case you missed something"

Hope you all enjoyed the performer last night and had a good time. Some of the (Belgian) players found their way to the Don Bosco Bar this year which is starting to become the unofficial party-place on Friday.

With the weather much better than expected the second day starts off in a good mood. No big surprises in the Open 1, with the four favorites, CUSB La fotta, Cota Rica, Cobra Kai and Freespeed rising up to the expectations and becoming group winners.

In Open2, our hometeam Freezzz-beezzz keeps up the winning mood, They win every game they play and place themselves in the Semis without much trouble. In the ladies division, we watched Hot Beaches win from Better Half of Mixed with 6-8.

Two big games at 13.30h. unfortunately, all the teams were already sure of their place in the semis, so gameplay could have been edgier. At field 7 CUSB La fotta and Costa Rica play an all italian game. Both teams play gently and at ease, resulting in a 9-6 victory for Bologna. Last years finals get a repeat at the same time with Kobra Kai and Freespeed playing eachother on field 5. This time Freespeed takes the upper-hand with a 6-10 victory.

Bad luck for Sun, as one of their players breaks his leg and has to be taken to the hospital. Let's all hope he'll be fine. On The ladies of PlanB played a very tight game against U2F turning an 8-8 in a 9-8 victory with a very intense last point.

In the challenge games only Diabolic Heaven manages to jump to the upper pool by beating Chronical Diziness with (score). On Field1 Ireland X can't get to Heidees, but both teams give us a great game of ultimate, really suspensefull and with a real good spirit.

The Day ends with a whole bunch of quarterfinals. Ready for the semi-finals in first are Cobra Kai, Freespeed, CUSB La fotta and Vibration Old Stars, after winning from Cota Rica with 9-8. Second Division's semi-finalists are Diabolic Heaven, OUF, Sun and Freezzzbeezzz. In the Ladies Division favourites Hot Beaches get kicked by The Swiss National Team who play the Semi-Finals next to CUSB The Dumpz, Better Half of Mixed and the Swiss National Team.

## SOTG

"Hard playing and big spirit should go hand in hand"

Just a little reminder to all of us: let's keep the spirit up. Spirit of the game has always been one of the foundations of Ultimate Frisbee, and we really want to keep it that way.

For both players and public, games are much more fun when played fair and nice, even at the highest level. It's the way we roll.

## “Partyhardy”

Let's hope you all brought your dancing gear and party mood because tonight again we present our après-frisbee fiesta in JH Comma. Dj Smirnoff will pull out his biggest dancefloor bombs and there will be lots of Belgian Beer. This year we don't have a shuttle because we believe you are all fit enough to make the walk down to JH Comma. For those of you who are too lazy, you can find the number of the Taxiservice at the helpdesk or in the booklet.

Last year we drank JH Comma's complete supplies, so this year we insisted they ordered more for this year's edition. So let's not disappoint. Last man standing will be the party hero!
